

## Shreya Sabharwal

Shreya has taken the artistic path extensively going beyond purely professional and academic realm. She has been learning Odissi under the guidance of renowned and esteemed Odissi exponent **Smt. Shubhada Varadkar**. Shreya has been giving stage performances along with her Guru in various prestigious festivals in India and abroad. Besides, she has also performed in her Guru's own productions like '*Journey to Divinity*', '*Mayurpankh*', '*Chitrangada*'*Kanupriya*', and '*PrakritiNartan*'.

Born into a family inclined towards arts, dance comes naturally to Shreya. With whole hearted support by her parents Shreya began her journey in classical dance form by meticulously being trained in Kathak dance under the tutelage of the renowned Kathak and Thumri expert **Late Shri. Bireshwar Gautam**. Shreya has performed Kathak extensively as a solo artiste far and wide across the country. She's also been conferred with the **Menaka Award** at the inter-university youth festival.

While honing her dancing skills, Shreya also pursued a degree in psychology and acquired a B.Ed in Special Education which gave her the opportunity to work with differently abled children.

However, she currently has been devoting all her time and energy to the beautiful dance form of Odissi and is a Graded artiste with **Mumbai Doordarshan** in Odissi. Shreya has also recently been empanelled with ICCR (Indian council for cultural relations).

With great humility, joy and blessings of her Guru, Shreya is determined to pursue the blissful journey on this artistic path.
